Subject: Contact for information about Enel plants

Sharon,

You asked about operation of the FGD wastewater treatment systems ("ZLD" vapor compression evaporation) at the Enel plants in Italy. I suggest you contact Amb. Francesco Olivieri – he is in charge of Enel's office in Washington DC and has been extremely helpful to us in the past.

Francesco's email address is Francesco.olivieri.ena@enel.com. I seem to have misplaced his direct phone number, but I believe you can reach the office at 202-609-7798.
